PRODUCT NAME

Igman Chair

DESIGNER

Harri Koskinen

YEAR OF DESIGN

2018

Igman dining chair is soft and light-weight chair that combines a solid wood frame and a removable soft seat & backrest upholstered in either vegetable-tanned 2.2mm thick saddle leather or a choice of fabrics. The design seamlessly integrates Bosnian and Finish craftsmanship and wood-working traditions into a modern object with minimalist appearance. The chair comes in a version without armrest and with armrests. The refined hand-carved details on the flat-cut surfaces of the armrests and the back beam add to the chair's character and tactility.
