Nera Coffee & Side Tables are a part of Zanat's extraordinarily popular Nera collection that also includes stools and bowls. The tables consist of a top in stained glass and a sculptural hand-carved base made in solid European hardwoods. The choice of different carving patterns, woods and finishes enables one to customize the product. The tables are suitable for use in both residential and commercial/public settings. The tabletop glass is invisibly fixed to the base in a way that prevents sliding, while the tops can be lifted vertically to facilitate movement and cleaning.

ENVIRONMENT

Indoor. Outdoor is possible if protected from sunlight and precipitation.

* Product weights are approximate and vary based on wood species. Different wood densities affect overall weight, even within the same species. If only one weight is shown, it represents the average for maple, ash, and walnut—maple and walnut are similar, while ash is 4% heavier. Oak's weight can be estimated by adding 11% to the net weight. These variations may impact handling, transport, and usage.

** 2D models, 3D models and product images can be found on the product page of ZANAT website.

*** The glass is semi-fixed to prevent sliding, but can be lifted vertically for easier movement and maintenance. Nera table in maple black is matched with smoked gray glass, while Nera table in walnut oil is matched with smoked brown glass.
