# Touch Console

**PRODUCT NAME**

Touch Console

**DESIGNER**

Studioilse

**YEAR OF DESIGN**

2017

Touch console is a graceful object that brings warmth and tactility to any interior. It is a piece that reminds one why Ilse Crawford is often called “the master of understatement.” Like other pieces in the Touch collection, the surface of the console is hand-carved by Zanat master woodcarvers.

## CUSTOMIZATION OPTIONS

Dimensions can be customized.

Maximum length is 220 cm. The upper side of the console is concave. Custom finishes may be possible upon request.

## ENVIRONMENT

Indoor. Outdoor is possible if protected from sunlight and precipitation.

\* Product weights are approximate and vary based on wood species. Different wood densities affect overall weight, even within the same species. If only one weight is shown, it represents the average for maple, ash, and walnut—maple and walnut are similar, while ash is 4% heavier. Oak's weight can be estimated by adding 11% to the net weight. These variations may impact handling, transport, and usage.
