Unna Lounge Chair

PRODUCT NAME

Unna Lounge Chair

DESIGNER

Monica Förster

YEAR OF DESIGN

2016

With soft, elegant lines, Unna Lounge Chair was designed to impart a feeling of softness and comfort to a lounge chair made entirely in solid wood, a warm but hard material. Unna's complex sculptural shape is also a testimony to the extraordinary skill of Zanat's craftsmen and engineers. The modernized hand-carved patterns—made by applying Zanat's century old and UNESCO world heritage inscribed hand-carving technique—add a special touch to the backrest of the chair, and a way to individualize it. To provide additional comfort, Unna can be ordered with a removable or fixed leather cushion on the seat.

* Product weights are approximate and vary based on wood species. Different wood densities affect overall weight, even within the same species. If only one weight is shown, it represents the average for maple, ash, and walnut—maple and walnut are similar, while ash is 4% heavier. Oak's weight can be estimated by adding 11% to the net weight. These variations may impact handling, transport, and usage.
