## YEAR OF DESIGN

2016

Tattoo stool is a neat, light, stable and stackable stool with beautiful and playful carvings, available in a three - or fourlegged version. The holes on top add to the stool's character and allow one to easily grip and carry them. The stools can be tattooed from head to toe or in a very discreet way. They can be chosen in different types of wood, colors, stained or lacquered. Symbolism of the graphics are to be created in the eye of the beholder. For the designers, tattoos are about the contrasts in life, love, joy, sorrow and pain.

CUSTOMIZATION OPTIONS

Additional customized finishes may be available upon request for larger contract orders.

\* Product weights are approximate and vary based on wood species. Different wood densities affect overall weight, even within the same species. If only one weight is shown, it represents the average for maple, ash, and walnut—maple and walnut are similar, while ash is 4% heavier. Oak's weight can be estimated by adding 11% to the net weight. These variations may impact handling, transport, and usage.

\*\* 2D models, 3D models and product images can be found on the product page of ZANAT website.

ENVIRONMENT

Indoor. Outdoor is possible if protected from sunlight and precipitation.
